# Outdoor & Experience

In the Republic of San Marino

**Much more than just a trip...  
we create experiences with a  
unique flavor.**

# San Marino

## The most ancient Republic in the world.

A great environment that combines nature, culture and tradition with an intrinsic vocation for hospitality and the search for a complete product for the M.I.C.E. sector.

## Between sea and hills, in the heart of Romagna.

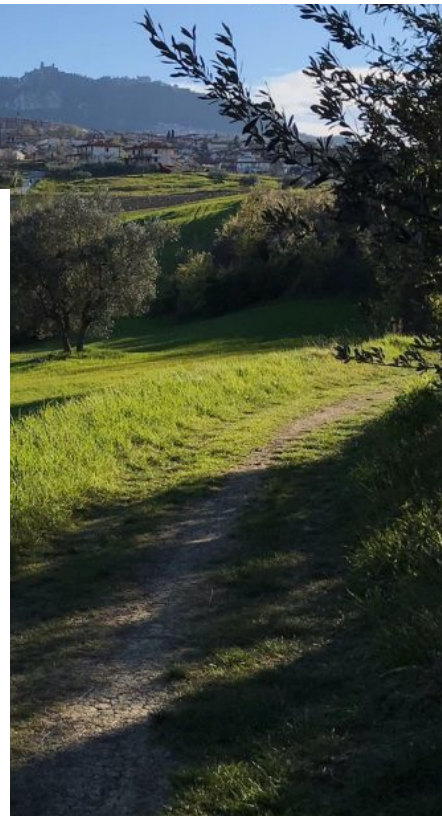

San Marino is the perfect location for your event. The Republic is close to both Bologna (132 km) and Rimini (17 km) and offers a wide choice of beds in hotels and other exclusive accommodation facilities. All hotels are fully equipped and easily reachable from the highway, the train station and the airport. Some of them are located in the historic center of San Marino, a few steps from the main convention centers, some a few kilometers away, easily reachable with transfer services.

# Food Valley Tour & Leisure Experience

**History, art, culture,  
tradition and gastronomy  
meet the most excellent  
qualities of the territory  
of the Republic of San  
Marino, Emilia-Romagna  
and Marche.**

Discover and explore the area and its surroundings (the districts of Valmarecchia, Montefeltro, Valconca, San Bartolo, Sasso Simone and Simoncello, San Leo, Gradara, Montebello, Santarcangelo di Romagna, etc.) and as far as the sea, enjoying outdoor activities on foot or by bicycle. Discover small villages, old castles and the countryside, appreciate the history, tradition and culture of places that still retain untouched the charm of the past. Our activities contribute to the economic promotion of the best products and qualities of the area.

## Renowned wines.

### Local wines, unexpected landscapes and the most excellent qualities of the territory.

A workshop to discover and experience the skillful art of wine production. From harvesting to crushing, from bottling to labeling all the magic of an authentic and of high quality experience. For those who want to enjoy exciting moments of well-being in contact with nature, we recommend learning wine production processes and assessment techniques.

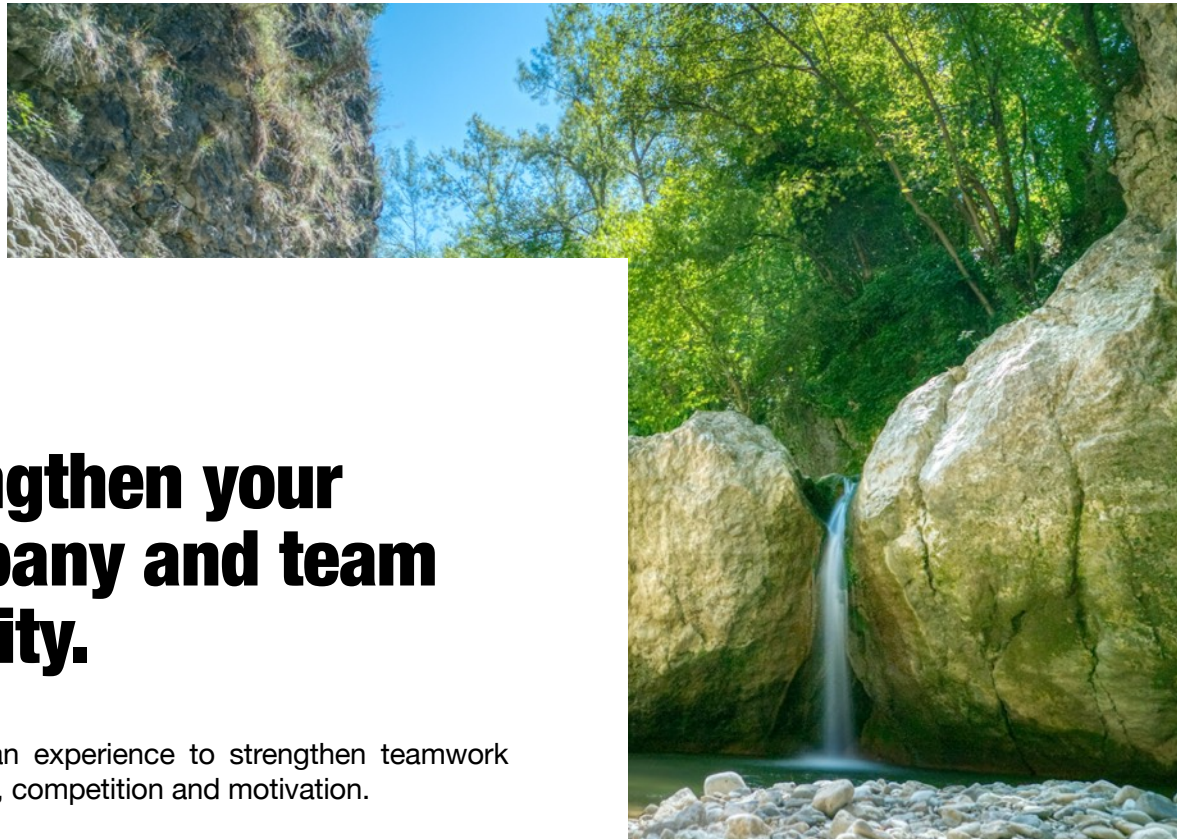

## Cooking Class

### Local and regional cuisine in a taste.

A true culinary experience to discover local and Romagna cuisine, on a special tour where culture is handed down from generation to generation. Local dishes, specialties, homemade pasta, and piadina romagnola are the delicacies you will make, while learning to master some of the secrets that belong to tradition, described by the chefs. It will be delightful to surprise your challengers or your team with your skills in managing time, measuring ingredients or plating a 5 star culinary creation.

A world suspended between enigmas and folk legends, fragments of history and cultural nods awaits you.

## Path of the Titan.

# A thousand-year history to be discovered step by step.

Live the experience with a new itinerary that allows you to explore and admire the inland and lesser-known areas of the San Marino territory. A 43 km route allowing to discover unique and evocative panoramas among which stands out Mount Titano, the icon of the territory.

# Action & Adrenalin

## A fun way to team up.

Try your team in conditions other than those of the everyday office routine, with action, adventure and fun in a context dedicated to sport.

## Go-Kart.

### **Everyone on the track: adrenaline on four-wheels.**

Get on the track for a pole position thrill on one of the most famous racetracks of the Adriatic Riviera and choose a Go-kart challenge for your team building. Improve motivation, control, spirit of cooperation and enhance personal knowledge not just to finish first but with the aim of competing together towards the goal.

## Adventure Park.

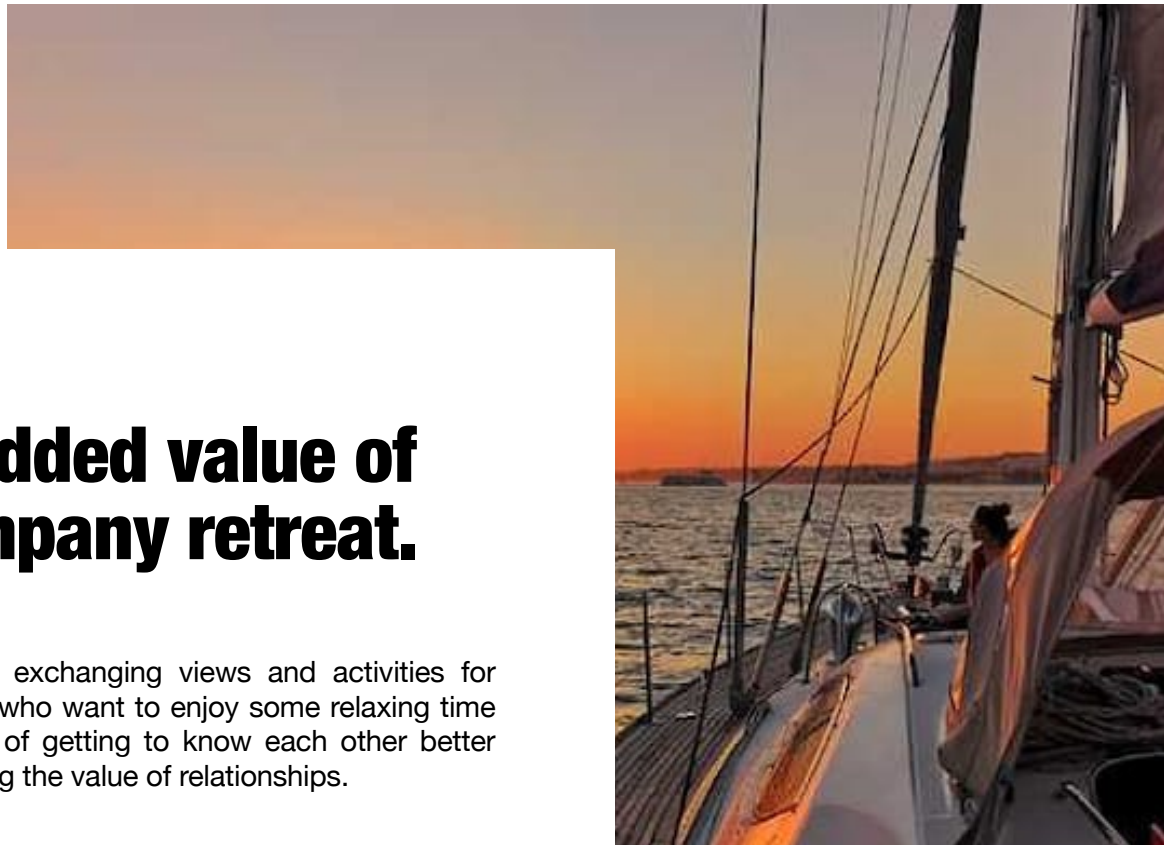

### **The adventure park suspended in the woods.**

Challenge yourself in exciting over 30 meters tree-hanging paths, Tibetan bridges, tunnels and gangways to stimulate in complete safety the spirit of adventure of your team.

# Relax & Well-Being

## The added value of a company retreat.

Moments for exchanging views and activities for work groups who want to enjoy some relaxing time with the aim of getting to know each other better and enhancing the value of relationships.

**Set the course,  
create your crew,  
and steer the helm.**

**Set the course,  
create your crew,  
and steer the helm.**

The iodine-laden air and the noise of the waves against the hull are the perfect setting to recover team spirit while facing the unexpected. Weigh anchor chasing the wind and a favourable stream.

**Yoga.**

**The well-being of  
your employees  
that is good for the  
company.**

Meditation and relaxation techniques can also be enhanced when combined with team building, to contribute to the well-being and motivation of your work group. Yoga will produce more positive effects compared to those of an individual practice because it is shared in a group and in a context that is completely different from the usual routine.

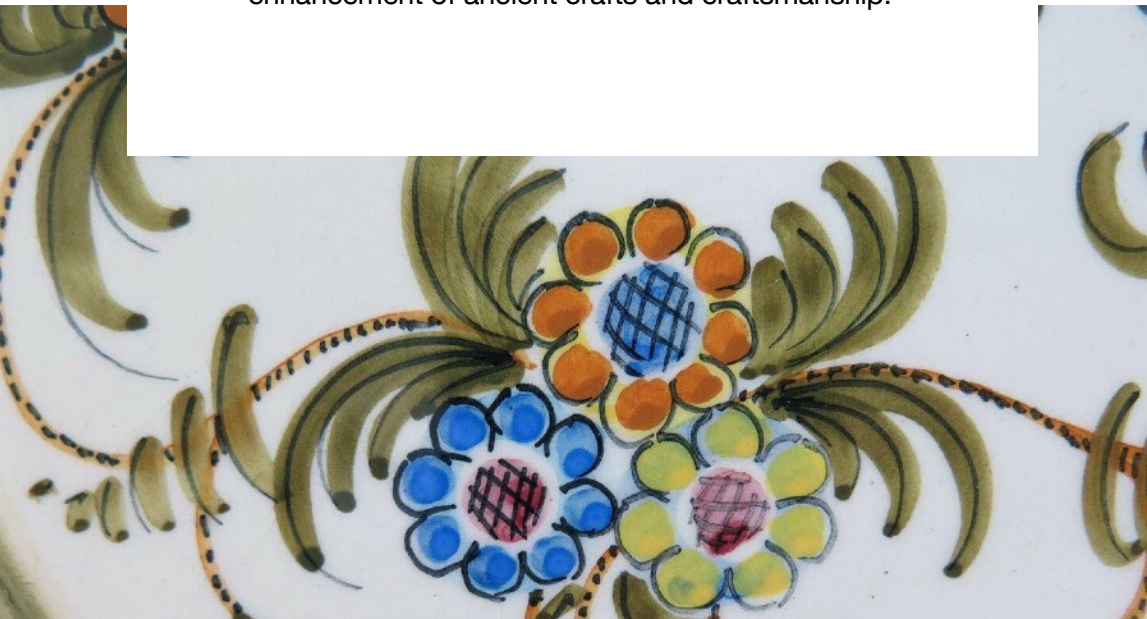

# Traditions & Crafts

**A thousand-year  
history to be  
discovered step by  
step.**

Bringing some of the traditions and customs of the local culture to life for guests through the enhancement of ancient crafts and craftsmanship.
