**EVENTS 2023**

1 JULY 2023 - SAN MARINO - CAVA DEI BALESTRIERI

San Marino Welcome organized the sports event "Tavball European Tour 2023 San Marino" in collaboration with Tavball, which took place on July 1st at the picturesque location of Cava dei Balestrieri. Tavball is the ball game-sport that can be played anywhere and by anyone, of any age, with an approved table. This innovative sport has captured the attention of enthusiasts worldwide, offering an engaging sports experience. Tavball European Tour 2023 San Marino hosted 24 teams from Argentina, Brazil, Germany, Switzerland, Italy, and San Marino. The Cava dei Balestrieri, with its captivating and impactful atmosphere, was the perfect setting for this exciting event. This historical location seamlessly blended with the modernity of Tavball, creating a unique context that combined the past and the future into one unforgettable experience. This initiative is part of a vision of San Marino as a tourist destination that enhances its history and while embracing new trends and innovations. The event was held under the high patronage of the Ministry of Labour and Sport.

# San Marino Aerospace

24-26 OCTOBER 2023 SAN MARINO

The leading U.S. aerospace companies have confirmed their participation in the prestigious international event "San Marino Aerospace," which will be hosted on the picturesque Mount Titano on October 25th and 26th. This globally renowned event is promoted by the State Congress of the Republic of San Marino in collaboration with the San Marino company TAIT and, for accommodation and affiliated reception facilities, San Marino Welcome along with USOT.

For two days, San Marino will be the hub of conferences, panels, B2B meetings, demonstrations and workshops, featuring the participation of Italian and foreign experts in the aviation and aerospace sector. The exhibition area will host numerous exhibitors from San Marino, Italy, Europe, the United States and other countries around the world.

# Tourism for All

UNWTO International Conference on Accessible Tourism

16-17 NOVEMBER 2023 - SAN MARINO

UNWTO and the Government of the Republic of San Marino are joining forces once again to create an international platform for governments, destinations and the private sector, to address some of the most critical issues on the global accessibility agenda in the field of tourism. The conference will also highlight a number of advanced policies and innovative tourism experiences promoted by destinations and tourism operators. It will also include technical discussions on the development of strategies and standards to promote accessibility, an analysis of business opportunities in accessible tourism, and its contribution to overall excellence in services and quality of life.
